FRIDAY

Inviting only your closest friends and family away for a Wedding Weekend in a luxurious, 5-star game lodge.

You arrive the Friday afternoon to a ice-cold welcoming drink and a harvest table full of delicious eats prepared by our private chef. Just before sunset you embark on a game drive around the lodge, having close encounters with buffalos, giraffes, sables and zebras to name a few... You return to a campfire set up with a gourmet "spit" on the go. The evening is spent enjoying great food and 5-star service. All a few feet away from our waterhole.

The night ends off with the Groom and Groomsmen sleeping at the hunters lodge, which is only a few 100 meters away from the main lodge. The Bride and Bridal party spend the night at the main lodge with other close family members and/or friends

SATURDAY

It's your BIG DAY!

The morning starts with a champagne brunch for the Bride and Bridal party at the main lodge, and a bushveld brunch at the hunters lodge for the Groom and Groomsmen. As the bridal parties get ready, we entertain the guests by taking them on a game drive and serving a fabulous harvest table at the lodge. Both the bride and the groom, and their parties, are treated to cheese boards/platters as they get ready for the wedding. The guests are transported to the bushveld ceremony area with the game viewers. The groom arrives. The bride thereafter. A magical ceremony in the bushveld takes place...

The guests are transported back to the lodge where the wedding reception awaits. They are treated to canapés and live music as the Bride and Groom take pictures in the bushveld. A luxurious reception set up with hundreds of fairy lights awaits as the bride and groom arrive. An African sunset falls upon the event and a fine dining chef serves the first course as champagne is popped and the night begins!

SUNDAY

Guests wake up after a magical night, to a lovely champagne breakfast.
The perfect end to a perfect weekend!

Reception...

Your outdoor reception will take place at the lodge amongst the trees across from the waterhole. This is a space for you to create and imagine. By using fairy lights, candles, flowers and a chef to cater a fine dining banquet - your reception is guaranteed to be something nobody has seen before!

The Lodge...

Die Boskamp is a 5-star establishment with 4 luxury tent suites and one main tent equipped with a private chef, bar area, entertainment area and lounge area. Die Boskamp sleeps 8 adults, perfect for the bride and close family. Accommodation in close proximity to the game farm is plenty. The lodge is also used as the outdoor reception area

Hunters Camp...

Our rustic hunters camp is nestled just a few 100 meters away from the lodge and is perfect for the groom and groomsmen for the evening before the wedding. Otherwise, the hunters camp can also be used for extra accommodation the evening of the wedding
